

ADMIRAL STANSFIELD TURNER

14 May 1980

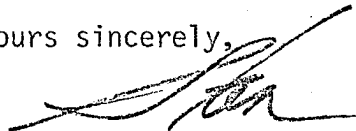

Dear Mrs. Johnson,

Thank you so much for your loving and thoughtful note of last March. I'm sorry to take so long to respond. As you can imagine, life has been very busy with this Iranian hostage crisis.

Your warm thoughts are very much appreciated. Your friendship meant a great deal to both Mother and Father and they spoke of you often.

Pat and I send our love and warmest wishes to you.

Yours sincerely,

STANSFIELD TURNER

Mrs. Robert L. Johnson
